Carolyn Keller - eBeauty Community for Cancer Support

If you missed our April 9th meeting, you missed a great speaker! Carolyn Keller, President of eBeauty Community for Cancer Support, spoke to the club about her organization and the grand opening of their community center in Stevensville. The organization works with partners around the country, like hospitals, hospice houses, cancer centers, etc. to get wigs to cancer patients who have lost their hair due to cancer treatment. Over the last ten years, they have received and donated over 100,000 wigs! Like many non-profits, they are run mostly by volunteers. If you are interested in helping them or would like to attend their grand opening, please check out their website: <https://www.ebeauty.com/>.

Project Clean Stream- 2nd Annual ROKI Clean-up

Our second annual partnership with ShoreRivers and MANY OTHER community organizations for Project Clean Stream was a success. Thanks to these Kent Island Rotarians for their clean-up at the Stevensville Park-and-Ride. With a multitude of clean-ups county wide, our county and waterways are a lot cleaner. Additionally, this effort is in support of this month's Rotary International theme of Environmental Awareness and Advocacy.

It's Time to Plan for the Club Picnic!

As the flyer says, please let Gail know if you are coming. It's always a great time, so we hope to see you (and your friends and family) at the picnic!
