

Tiffany Ervin Speaks to Club about CART

Wednesday, May 15, 2024

So many families have been touched by the long goodbye of Alzheimer's. And while much research is being conducted, we still have no treatment or cure. But there is much hope as scientists search for a breakthrough. So we were delighted to welcome Tiffany Ervin to speak at our club this week about CART. The CART Fund (Coins for Alzheimer's Research Trust) is a non-profit grassroots organization that provides "seed" money for cutting edge, high impact research grants to help find a treatment or cure for Alzheimer's Disease. While primarily supported by members of Rotary Clubs in the United States, CART has an active volunteer base and can accept donations of major gifts, bequests or volunteer efforts from anyone.
