## AUGUST 8, 2022 MESSAGE FROM THE DISTRICT GOVERNOR

Fellow Rotarians,

Although not officially connected, Rotary International and Easter Seals have a long-time relationship with one another. Paul Harris, Founder of Rotary International and Edgar Allen, Founder of the International Society of Crippled Children (which later became Easter Seals) were close friends. Edgar Allen was the President and Founder of the International Society of Crippled Children while Paul Harris served as the Society's Chairman of its first Board of Directors. This relationship continues to this day and Rotary District 7630's District Governor serves on the Easter Seals Delaware and Maryland's Eastern Shore Board of Directors during their term as District Governor. Many of our Rotary Clubs and their members support Eastern Seals Camp Fairlee outside of Chestertown, MD.

During my Board Member Orientation this past week, I had the opportunity to meet some of the great and dedicated folks who work at Easter Seals and learn more about the services that Easter Seals provide for people with disabilities and their families. With Rotary's emphasis and commitment to Diversity, Equity, & Inclusion, I thought it appropriate to share with you the information on Disability Etiquette. ([Click Here](#)) I know I learned much from this, I hope you will as well.

Update on our District Membership Summit to be held Saturday, September 10<sup>th</sup> at Maple Dale CC. We currently have 86 participants registered and all but 4 of our Clubs are represented. **Don't miss out!** [Click here to register now!](#)

Till next week, Yours in Rotary Service,

*Cliff*
