## AUGUST 15, 2022 MESSAGE FROM THE DISTRICT GOVERNOR

Fellow Rotarians,

In the August edition of Rotary magazine there are two articles I would like to bring special attention.

The first being the ["President's Message"](#). Rotary International President Jennifer Jones writes to us about the importance of Rotary as an organization and we as members of Rotary, of being fully committed to Diversity, Equity, and Inclusion (DEI). She reminds us how we often only think about extending an invitation to join Rotary to people who are exactly like us. Shouldn't we extend an invitation to people who are seemingly very different but share the same values. She shares with us that it is not just about making our membership numbers more diverse, but also removing barriers for entry and opening doors for inclusion.

The second article I bring to your attention shares the results of the [recent survey of Rotary members](#). There are many lessons to be learned from these results that our clubs should particularly take note: "Why Members Stay", "Why Members Leave", "What They Like", and "What They Don't Like". The survey reveals things that may not be surprising but others that perhaps will surprise you.

Update on our Membership Summit to be held Saturday, September 10<sup>th</sup> at Maple Dale CC. We are currently at 93 participants and all, but 3 clubs represented. [Don't Miss Out!](#)

Yours in Rotary Service,

*Cliff*
