## Club of Asheville Breakfast

### Bill Biddle, Accordion

By Nathan Patrick Moran on Wednesday, November 23, 2022

The club received a treat this week as our member Bill Biddle showed his diversity of talent by playing the accordion for us. Bill played as a child and got frustrated with it and gave it up at a point. A little over three years ago he decided to pick it back up and has been taking lessons since. The instrument is 30 pounds, has 41 piano keys, and 120 buttons which can't be seen from the player's position. Bill played a variety of styles of music to demonstrate the range of the accordion and we look forward to hearing more of it at the district conference!

Thank you to Cindy for filling in for Frank last week. Cindy let us know the Weaverville Christmas parade will start at 1:00 officially but we need to be there at 12:00. Bring your kids, dogs, spouses, and neighbors if you would like. George DeWalder will be driving his El Camino as in years past and we will be meeting at North Buncombe Middle school. Please let Cindy know if you will be there and she will make sure you are on the list to get details as they come.

Danny LaSure received his official award for the CART jar challenge as he finished in the top 3 for fund raising.

Ruth announced for this year's club foundation fund raising event we will be doing something a bit different. For the past 5 years the club has held a larger event which was planned by a limited number of club members who are fatigued. This year each club member is asked to come up with a smaller event and is encouraged to invite people from inside and outside Rotary to pay to participate. The member is asked to provide refreshments and to organize. Some ideas presented were to host a paid dinner party, a game night, or to share a group skill like having a group of carpenters build little libraries to be installed in needy neighborhoods. More details to come but please plan to participate and have your event by the end of the Rotary year in June 2023.
