Club of Asheville Breakfast

## Tammy Mosteller CART fund, Ruth and Rod Roger Ackerman Circle

Tammy Mosteller attended the meeting representing the district CART efforts. Ruth Summers and Rod Douglas received their Roger Ackerman Circle pins. The Roger Ackerman circle is for monthly recurring donors, which can be achieved by committing to as little as 5 dollars per month. To date, 11.5 million dollars have been given through the trust to support early research related to Alzheimer's. Tammy is hosting a "lunch ala CART" in which a researcher that has been given funds from the Trust comes on a webinar to discuss their research. Please keep an eye on your email for your invitations to those events.

Club member Brent Wyatt, Executive Director for Loving Food Resources, is running a donation event for our club. Please bring a one pound bag of ground coffee to the club meeting on September 27. September is food insecurity month and we take for granted our morning coffees. For many people, that is not a given, so please give if you can.

Thank you to everyone who attended the club picnic a few weekends ago, and thank you to Rod and Cindy for the legwork setting up the event. Cindy presented Rod with a certificate of excellence for his work on our social programs. Rod does a great job coordinating and fostering camaraderie within the club.

Please sign up for the upcoming district banquet on DACdb. Please see Cindy for help signing up. We would love to have a good turnout from our club. We already have 4 people signed up.

Cindy announced the board has decided to spend bit of money purchasing a cart and TV to make it easier for the club and the presenters each week. We will also be purchasing a club tent to be able to be more visible at our community outreach events.

The interact club will be hosting a purple pinky project in October to benefit Polio eradication. They will charge a dollar for students to have their pinkies painted purple to bring awareness to Polio, and represent the lives being saved from Polio.
