Club of Asheville Breakfast

Meeting Notes 2.7.24

David Hayes reminded us of our goal to have Every Rotarian Every Year (EREY) contribute at least 100 per year to the Rotary International Foundation. It is as easy as sending a check to Rotary International in Evanston, IL or you can give directly through the website for Rotary International. Please see David or Gary Bockhold if you have any questions.

Don reminded us of the service project on the 17th with My Daddy Taught Me That. See Don if you can still help and be on the lookout for an email with details.

Thank you to everyone who helped plan, attended, invited friends to, or raised funds for the Fat Tuesday Fiesta on the 13th. If you are reading this ahead of attendance, Max let us know Foothills brewery is supporting us through donating a portion of the cost of beers bought from their brewery at the event so consider that when you make your drink orders. Also please remember to bring a hygiene item or several as it will get you into the raffle.

Rod reminded us of the flag project for Presidents' Day on the 19th. Please email him or see him if you can help out.

There is also an opportunity to help with Loving Food Resources on Sunday the 18th. They are looking for help packing items to be dropped at their clients' homes. Please see Cindy if you can help.

Club Member Photo Event

We learned a little more about some of our club members through submission of some of their favorite photos. The criteria was there could be no one in the photo a member of the club might recognize to identify who submitted the photo. Cindy let the group guess at who submitted the photo, and where the photo was taken. We had submissions taken in Africa, Nigeria, Switzerland, Santa Fe, Waynesville, St. Simon's Island, Central Park in New York, Marshall, Easter Island, Costa Rica, Paris, and Asheville. Once identified, the club member who submitted the photo got a chance to explain why it was meaningful to them. It was really interesting to hear some of the stories behind the photos. From Randy's trip to Africa in pursuit of his goal to run a marathon on every continent, to Ruth's brother making her promise she would go to Easter Island while he was fighting cancer. We got to learn a lot about members and see how they have impacted the world in many different places. Thank you to everyone for sharing last week.
