Rotarian Lindsay Wright talked to the Rotary Club of Franklin Daybreak about her recent mission trip to Honduras. Lindsay and her family spent a week working in a village, teaching vacation Bible school, and building homes. The program is organized by a Franklin resident.

Lindsay said the village was very poor, and their work made a difference in the lives of all residents.

The homes built are simple block homes that provide a safe place for families to live. Meals are cooked over open fires.

Volunteers stay in a local mission home. Meals are provided and supplies for building are sourced locally. Cost for building a home is approximately \$4,000.

Mission team members pay their expenses to participate in the trip.
