KIDS Place Volunteer Day

Miguel Esquivel of Highlander Building shared concept designs of the landscape project that the Rotary Club of Franklin Daybreak will be doing at KIDS Place. The project was funded by a \$2,000 district grant and \$6,000 from the Daybreak Rotary Club. Work on the project will begin next month.

SAVE THE DATE

This Saturday, Feb. 22, from 9 a.m. to noon, we will host a volunteer work day at KIDS Place to help them organize the basement of their new office space. This is a great opportunity to bring your family members and kids as we work to unpack boxes and organize their space. They also need helping

hanging a big screen TV.

KIDS Place is Macon County's only not-for-profit organization that coordinates the efforts of child protection services, forensic interviewing, law enforcement, prosecutors, child advocates, medical and mental health experts, all under one roof. They provide a prompt, sensitive, multiple agency response to child abuse so that every child / youth / teen and family can focus on healing. Since 1991, they have served thousands of children, averaging 120 new referrals each year.

Coin drop in progress

Last week was coin drop week as Chuck Sutton lead the club in collecting Coins for Alzheimer's research. If you've been collecting coins in your car console, the top of your night stand or the bottom of your purse, it is NOT too late to donate to C.A.R.T. Coins collected go into the C.A.R.T buckets to provide grants for researchers looking for a cure for Alzheimer's. No coins? Don't worry, Chuck will accept cash and checks.
