Together We Can

By Keith E. Bowers on Tuesday, May 2, 2023

Rotary Club of Franklin-Daybreak was joined by Julie Adams of the local 501 C3 Non-profit Together We Can.

Together We Can was formed to educate, support and advocate for the Fostering Community; the children, and families and partner with the Department of Social Services.

Julie was prompted to enter the foster care world following a touching sermon at Discovery Church while she was visiting the area in 2016. Julie and her family relocated to Franklin in 2017 and have been advocates for the foster care community since. Julie took the time to discuss the complex processes surrounding foster care, including the roles of the Guardian ad litem and Social Workers as well as the courts.

Along with advocacy, Together We Can provides support groups, Backpack drives, and Christmas drives showing support for the Foster Care community. Even though they have already made a tremendous impact in our area, Together We Can has ambitious plans for the coming years. They are hosting several upcoming Fundraising Drives, and plan on utilizing those funds to provide even greater support to their clients.
