### Tar Heel Boys State

By Keith E. Bowers on Tuesday, May 16, 2023

Jack Castle, of American Legion Post 108, visited the Rotary Club of Franklin-Daybreak to speak about the Tar Heel Boys State Program. This program teaches rising high school seniors about the inner workings of our government, and encourages future participation. Boys State is a **leadership program of action**. Participants learn the rights, privileges, and responsibilities of franchised citizens. The training is objective and centers on the structure of city, county, and state governments. Operated by students elected to various offices, Boys State activities include legislative sessions, court proceedings, law-enforcement presentations, assemblies, bands, distinguished guest speakers, and recreational programs. Mr. Castle has been reaching out to area schools to recruit future participants and will be meeting with local businesses and community organizations (like ours) to sponsor participants. If you would like to learn more about the program, please visit: <https://tarheelboysstate.org/about> or view their informational video at: <https://youtu.be/9g8TnOuOKSU>
