DUNCAN'S ROTARY MINUTE

Duncan's Rotary Minute was dedicated to our dear friend and colleague, Tucker:

Tucker was a remarkable individual whose integrity, generosity, courage, and sense of humor left a lasting impression on all of us. His unwavering commitment to our club and the community was evident in everything he did.

He played a pivotal role in planning our initial Craft Show. Additionally, Tucker was instrumental in spearheading our Firewood Project.

While we mourn his loss, we also celebrate his legacy and a special meeting will be held in his honor on November 18.

HALLOWEEN HOTDOGS

If you haven't already signed up, we are still looking for set-up and cleanup volunteers - so please sign up.

PHASE 2 OF DISASTER RELIEF

As we move forward into Phase 2 of our disaster relief operations, we are shifting our focus to another pressing need: Heating. With the colder weather upon us, it's critical that we ensure affected families have the means to stay warm and safe in their homes. To that end, our club has decided to purchase 100 gas heaters to distribute along with the Highlands Rotary Club.

We will match the \$10,000 District Grant and with the \$20,000 we will be able to buy 100 Big Buddy gas heaters, a 20lb tank and connector hose. Highlands Rotary Club will be doing the same.

So far we have \$24,000 in committed or received donations. We have spent \$8,000 on supplies and are committed to \$10,000.

Here's how you can continue to help:

HIGHLANDS CASHIERS HEALTH FOUNDATION

We had an engaging presentation about the state of healthcare in our area, particularly highlighting the critical need for primary care physicians. Josh Bryson, 5th generation Highlander and Director of Marketing and Communications of the Highlands Cashiers Health Foundation spoke to us on Monday about the scope of the foundation's work promoting health and well-being in the seven surrounding counties and in particular Macon and Jackson Counties.

Building Stronger Communities: The Transformative Impact of Rotarians

By Holly Guyer

"Success is not measured by wealth, but by the positive impact you have on others."

Paul Harris

As we continue to serve our communities post Helene, let's continue to strive to leave a positive impact everywhere! If you see an area where volunteers may be needed, don't hesitate to get involved and bring a friend. See every opportunity to serve as an opportunity to show others what a Rotarian in Action looks like.

ROTARY PROJECTS AROUND THE WORLD - RWANDA

The Rotaract Club of Kie (Kigali) is devoted to helping schoolchildren. The club, which has raised money for the Rwandan unit of SOS Children's Villages through T-shirt sales and a charity walk, heard about pupils whose families were having a hard time meeting the expenses of public school; although education in Rwanda is ostensibly free, costs still add up. The club donated books, pens, a mathematics set, and a schoolbag for each of 15 students at the GS Gahanga I School, and covered fees and school uniforms, says Musa Kacheche, club president. The club also does smaller projects, such as street cleaning and building toilet facilities for senior citizens.
