Two Lies, a Truth and a Full Meal, with Pie!

By Andrew Keithline Walker Sr. on Sunday, November 20, 2022

Fun night was super! With a half dozen Rotarians telling you something about themselves that is not in their profile while lying up a storm, the laughs were loud and the side discussions plentiful.

Great job Faye for the program setup and for Lorine as the MC.

And the food, Wow! Shrimp, salmon, sandwiches and several other dishes. No need for our usual fare, we ate like royalty. Leslie Logan's pecan pie was to die for.

Guest Galore!

By Andrew Keithline Walker Sr. on Sunday, November 20, 2022

Several guests attended our fun night meeting. Dixie brought Laura Harris for a special presentation Susan Cox introduced her neighbor from Colorado, Susan Jones and Hillbold introduced Lou Rosebrock from Mt. Pleasant, So. Carolina.

Great job! What a great night to have guests!

Wrapping Party a Fun Success

By Andrew Keithline Walker Sr. on Sunday, November 20, 2022

Boxes were taped, paper was flying and scissors were cutting as dozens of Rotarians joined Jennifer and wrapped 2 dozen boxes for our holiday float. This editor wishes to thank all that brought boxes, supplies and their labor to the party.

First prize for box wrapping has to go to M&M. These guys know how to rap, that is wrap.

At the other end of the spectrum, Nick deserves the award for the one who worked the hardest with the least amount of skill. Dixie and Robin also deserve cudos for wrapping 3 square feet of box surface with 2 1/2 square

feet of paper. Now that's a trick!
But all picking aside, once again MTR rocks!
I think we will have the best float since somebody
combined Dr. Pepper and vanilla ice cream. Happy
Holidays!

Garden Club Helps MTR

By Andrew Keithline Walker Sr. on Sunday, November
20, 2022

In an act of community generosity, the Garden Club of
Highlands presented a check for \$775.00 and dozens of
coats to Mountain-Top of Highlands Rotary in support of
the club's effort to supply winter coats to those in need.
The gifts add to the already strong efforts of Duncan
and the club as hundreds of clothing pieces and monies
in the 3-figure range have been received in our annual
winter drive.
This is just another example that shows the greatness of
the people of the plateau.
Service above self is a catchy thing!

business, review financial positions and discuss our various service projects and our present and future charitable giving. The Board also received the news of an in-kind donation of considerable size, made to us by a local business.

Details of the meeting are posted under the secure tab of our club files found on DACdb.

One thing is for sure, the quality and work of the members of the MTR Board are all above outstanding. Make sure you thank them this busy season.

Who is this Rotarian?

By Andrew Keithline Walker Sr. on Sunday, November 20, 2022

Did you guess Jeffery Paul Owens last week? If so, you are correct.

This week we have a new mystery to solve. This Rotarian is an Aries and has the same birthday as another Rotarian in our club profiled earlier this year. The Rotarian has been in our club 3 years or so, but has been a Rotarian since 1998.

The Rotarian has also accomplished a rare Rotarian milestone with a perfect attendance record of 21 years. If you need a little construction work, just contact the Rotarian somewhere among the "rolling acres".

Famous birthdays matching our mystery person include Charlemagne (son of Pepin the Short), Marvin Gaye (I Heard it through the Grapevine), Rodney King (Can't we all just get along) and American rapper Quavo (of Migos fame and uncle to Takeoff; cousin of Offset)

Famous events on this date include the day Woodrow Wilson asked congress to declare war on Germany, Haile Selassie became Emperor of Abyssiria (Ethiopia), John Gotti went to jail for life and finally, Hulk Hogan defeated Randy "Macho Man" Savage for the WWF Heavyweight title.
