Presidents Update October 3, 2022

By Laura J Phipps on Sunday, October 2, 2022

Thank you to Larry Elliott & Richard Willits for staying after our meeting last week to complete the Rotary Youth Protection Training module! I am excited to report that other Rotarians have completed this brief on-line training and obtained their certificates.

Larry Elliott
Richard Willits
Sarah Leatham

Rachel Ingram
Tom Swaim

If you have completed the Youth Protection Training & your name is not listed above, please forward your certificate of training to Richard Glassen: glassennc@icloud.com

If you are interested in getting individual assistance to access this mandatory training, please contact me, Richard Glassen or Michelle Geiser directly.

The importance of protecting our youth & ourselves as Rotarians cannot be overstated.

Please join me in welcoming our newest member, Melissa Witmeier, Executive Director for Council on Aging. Melissa is sponsored by Karolyn Killian, and will be completing her new member orientation/induction within the next several days.

Don't forget we are collecting new books (all ages appropriate) during our Literacy Month Book Drive. Books purchased should be brought to our meeting, to be distributed at the "Walk for Literacy" on October 15, 2022 at Patton Park.

October is "Economic & Community Development !" Let's continue to "Imagine Rotary" as we engage in our Dictionary Project, Book Drive, Walk for Literacy, and Pints for Polio/Purple Pinky Painting!

Yours In Rotary Service,
Laura

1. Ron Holt--Ron's visit this week with his Chapel Hill doctor went well--he's been cleared to start his PT next week at "Movement for Life" in Hendersonville. Objective is to increase movement in his neck, arms and chest and Ron feels confident all this will help. Let's all pray life finally gets back to normal for this long suffering guy.

2. Larry and Helen Elliot--Great news! Helen tested Negative for COVID last week and is feeling much better. Thanks for all your prayers, once again, for this great couple.

October is Economic and Community Development Month

By Tim Radford on Saturday, October 1, 2022

It is estimated that nearly 1.4 billion employed people live on less than \$1.25 per day. While this is a statistic that encompasses the whole world, we all know of communities and neighborhoods locally where people struggle every day. Through Global Grants, Rotarians worldwide promote projects that provide equipment and vocational training to strengthen local entrepreneurs and community leaders.

On a smaller, but not of lesser importance scale, many clubs are working to provide vocational training, supporting local businesses and providing for those that need employment. Our Public Image/Public Relations campaigns need to promote these initiatives to not only show the community the impact we have, but also generate an interest in others joining us.

October 24th is World Polio Day

By Tim Radford on Thursday, September 8, 2022

Since the eradication of the Polio virus in the United States in 1979, many have forgotten about this crippling virus. That was until recently when a case of the vaccine-derived poliovirus type 2 surfaced in New York, and isolates in several environmental samples collected in London are reminders that as long as polio exists anywhere, it is a threat everywhere. The individual that unfortunately contracted the virus was not vaccinated. This highlights the importance of vaccination as the only form of protection against polio and other vaccine- preventable diseases.

Now is the time for clubs to start planning for an event to raise awareness and funds to help Rotary complete this mission of ridding the world of Polio. In the past, clubs have used "Purple Pinky Fundraisers", "Pints for Polio" and "Run for Polio" as such an event. To learn more on how to plan an event, you can contact one of us on the Zone 33 Public Image Team, or go to <https://www.endpolio.org/>

Protecting Our Youth is a Rotary Goal

By Richard L Glassen on Friday, August 12, 2022

Rotary Statement of Conduct for Working with Youth

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotary members, their partners, and other volunteers must safeguard the children and young people with whom they come into contact and protect them from physical, sexual, and psychological abuse.

DACdb Tips: Everyone Can Create an ezStory

By Joey Macaluso on Saturday, October 1, 2022

EZ Stories are a DACdb feature that allows you to easily create a story for sharing with your club and district. Club Presidents and Club Public Image Chairs should encourage club members to write stories for Rotary projects they are involved with, to help build stories to share with club members, and for later posting on social media sites to grow interactions and visibility of Rotary with the general public. Creating an ezStory is EZ.

How to Create a New ezStory in DACdb:

1. Go to **My Club** (tab) --> **Club ezStory** (icon)
2. Click the **Add Story** button.
3. Enter the **Story Name** and **Headline**. (the story name is how the story is listed in ezStory list. The headline is the story's header/title)
4. In the **Show Story In** section, select ezBulletin, Home Page, and Dashboard.
5. Set the **Story State** to **Published**.
6. Click on the **Story Content** tab and use the text box editor at the top to create your story. You can add links and photos using the text editor.
7. Once finished editing your story, click Save. Your story will now appear on your club's home page, and your Public Image Chair can use it for Bulletins and share it with the district.

Be sure to check out the Stories folder in the Help Topics section of the Support/Training Tab for more helpful information and guides with photos.
