President's Message November 8, 2022

By Laura J Phipps on Sunday, November 6, 2022

Veterans Day

Veterans Day occurs on November 11 every year in the United States in honor of the "eleventh hour of the eleventh day of the eleventh month" of 1918 that signaled the end of World War I, known as Armistice Day.

In 1954, President Dwight D Eisenhower officially changed the name of this holiday to Veterans Day.

You won't want to miss our program on Tuesday as we celebrate Rotary Club of Hendersonville Veterans and all Veterans!

A very special thanks to Steve Johnson, Spence Campbell, Rita Hood and Karolyn Killian for leading us in our salute to Veterans.

Wear your RED, WHITE & BLUE as we pay tribute to all Veterans who have served & continue to serve our great nation. We are also asking our Veterans to wear their military ribbons if they choose.

#ImagineRotary
#PeopleofAction

Yours In Rotary Service,
Laura

Care & Concern, 11/04/2022

By Craig M. Kirkpatrick Jr. on Friday, November 4, 2022

Jon Laughter--There's a saying attributed to General Douglas MacArthur that "Old soldiers never die, they just fade away..." Well, perhaps the same is true of old surveyors in that today, through Steve Shultz, we heard from Jon Laughter. Jon, as some of our older members may recall, was, for many years (41 to be exact), an active member of our club and a mover and shaker in the Henderson County community. However, like the "old soldiers" mentioned above, he had faded away somewhat, partly due to our club's going into COVID lockdown and having to rely on Zoom, etc.--it was a long couple of years. But a large part of Jon's absence was due to his having a stroke in March of this last year, which we don't think many of you knew anything about. At least I didn't. In any event, in the absence of any specific information on how Jon is doing now, let's all offer up prayers for healing for both Jon and his family.

November is The Rotary Foundation (TRF) month

By Tim Radford on Tuesday, November 1, 2022

As the charitable arm of Rotary International, The Rotary Foundation transforms our gifts into funding of programs and projects that change lives. Foundation grants empower us to approach challenges in our local communities and around the world with sustainable solutions that have a lasting impact.

Strong financial oversight, a stellar charity rating and a unique funding model mean that The Foundation makes the very most of every contribution. In addition, another distinctive feature of The Rotary Foundation, that other foundations do not offer, is that we as members, clubs, and districts, have the ability, to some extent, to decide what programs and projects get funded.

As we put together our Public Relations campaigns, we need to publicize the power of the Rotary Foundation and that may generate an interest in others to join Rotary or help with our fundraising efforts.
