President's Message

By Laura J Phipps on Sunday, March 12, 2023

March is Water & Sanitation month.

The United Nations reports 2 billion people across the globe lack access to safe drinking water. Each year, 300,000 children under the age of 5 die from preventable diarrheal diseases caused by unsafe drinking water & poor sanitation.

Through Rotarians generous support to the Rotary Foundation, we are able to provide water & sanitation for communities around the world.

Our club's international service committee is in the early stages of planning a water project in partnership with the Boquete, Panama Rotary Club. Stay tuned for more updates.

DATES TO REMEMBER:

Friday – Sunday, April 21-23rd: Rotary District 7670 “Let the Good Times Roll” District Conference at the Marriott, immediately following District Assembly. The club will cover your conference registration; registration remains open.

Care & Concern, 3/11/2023

By Craig M. Kirkpatrick Jr. on Saturday, March 11, 2023

Folks, two Care and Concern items for this week: 1. As most of you know, Larry Elliot and his daughter Joy made it back to our mountains last Wednesday. Larry, working with Warren and Liz Spahr, is planning a Celebration of Life gathering at the Hollabrook Farms Clubhouse on Saturday, March 25th between 4-6 PM. The address for the clubhouse is 262 Hollabrook Parkway, Mills River, NC 28759. Please, please mark this date on your calendars and, along with your prayers, come out to support Larry and his family. Thank you all so much!

2. Our own Barbara Orolin is undergoing knee surgery this coming Tuesday, March 14th--on Rotary day. Barbara's been pretty cool about it, saying essentially "no big deal." Well, for us, it is a big deal and with all the thoughts and prayers we can muster, we wish her a successful surgery, as little pain as possible, and a quick recovery.

Respectfully submitted,

Craig Kirkpatrick

March is Water, Sanitation and Hygiene Month

By Tim Radford on Tuesday, February 28, 2023

Over 750 million people in the world lack access to safe water and more than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diseases caused by unsafe water. When we talk about the need for clean water and sanitation, our immediate thoughts go to those who live in underdeveloped countries around the world, but there are communities in our own districts that have a real need for clean water.

During the month of March, or anytime throughout the year, clubs and districts can promote our commitment to providing clean water and sanitation and encourage others to join us in our efforts. One way to raise awareness is hosting a "Walk for Water."

For more information on the need for clean water, as well as resources on how to host a "Walk for Water" [click here](#), or go to <https://www.watermission.org/>

Club T Shirts for District Conference

By Tammy Mosteller on Tuesday, February 28, 2023

Does your club have a T shirt they wear for your clubs signature event? If not, now is the time to design one! During Rotary International conventions, the attendees all wear a "district" T shirt for certain sessions. We thought it would be fun to wear our club T shirts during the Saturday morning session of the district conference on April 22nd in Columbia, SC.

It is gearing up to be a conference to remember! So, get busy getting those club T shirts ready for all members of your club that will be attending. Oh, and there will be an award for the best club T shirt!
