Club T Shirts for District Conference

By Tammy Mosteller on Tuesday, February 28, 2023

Does your club have a T shirt they wear for your clubs signature event? If not, now is the time to design one!

During Rotary International conventions, the attendees all wear a "district" T shirt for certain sessions. We thought it would be fun to wear our club T shirts during the Saturday morning session of the district conference on April 22nd in Columbia, SC.

It is gearing up to be a conference to remember! So, get busy getting those club T shirts ready for all members of your club that will be attending. Oh, and there will be an award for the best club T shirt!
