President's Update September 27, 2022

By Laura J Phipps on Sunday, September 25, 2022

Happy Birthday to our club!

1927

- Calvin Coolidge is the 30th President of the United States.
- Charles Lindbergh makes the 1st solo non-stop trans-Atlantic flight from New York to Paris.
- Babe Ruth achieved the long-standing record of hitting 60 home runs.
- The average income in our country is \$5,496/year.
- **The Rotary Club of Hendersonville was chartered on September 22, 1927 with C.D. Weeks serving as president.**

Let's celebrate our 95th birthday by purchasing new books for children & adults, to distribute on **October 15th at the "Walk for Literacy" at Patton Park.**

We will be collecting new books at each meeting through October 11th. All members are invited to register for this 1- mile walk around Patton Park. Sign up sheets are available at our meeting.

The next **Blue Ridge Honor Flight** is Saturday, October 1st. Please join the "welcome home" celebration at Asheville Airport at 7:00pm. Wear your Rotary attire & help celebrate our veterans & their guardians!

As a reminder: If you need assistance accessing the Youth Protection training module, bring your lap top or tablet to Rotary on Tuesday. Immediately after the meeting, fellow members will assist you in completing this 30 minute module. **WE ARE ALL REQUIRED TO COMPLETE THIS TRAINING MODULE.**

Looking forward to seeing you on Tuesday.

Yours in Rotary Service,
Laura

Care & Concern, 9/23/2022

By Craig M. Kirkpatrick Jr. on Friday, September 23, 2022

1. Ron Holt--not a whole lot to report, which is a good thing. Ron's doing well, getting out and trying to live a normal life. He's looking forward to his visit this coming Wednesday with the Chapel Hill doc to see what's next in this long saga. Please pray for good news going forward.

2. Larry and Helen Elliot--While Larry seems to be doing ok--he's tested Negative now and is more or less back to "normal," Helen is still coughing and tired and is still testing positive for COVID. However, her doctor says, overall, she's doing well all things considered. Please keep these folks,

October 24th is World Polio Day

By Tim Radford on Thursday, September 8, 2022

Since the eradication of the Polio virus in the United States in 1979, many have forgotten about this crippling virus. That was until recently when a case of the vaccine-derived poliovirus type 2 surfaced in New York, and isolates in several environmental samples collected in London are reminders that as long as polio exists anywhere, it is a threat everywhere. The individual that unfortunately contracted the virus was not vaccinated. This highlights the importance of vaccination as the only form of protection against polio and other vaccine- preventable diseases.

Now is the time for clubs to start planning for an event to raise awareness and funds to help Rotary complete this mission of ridding the world of
