President's Update

By Laura J Phipps on Sunday, September 4, 2022

President's Update:
September 6, 2022

September is Basic Education and Literacy Month for Rotary.

As one of Rotary's seven areas of focus, our club continues to energetically support literacy & education with several projects throughout the year such as the Sky Polega Dictionary Project, Teacher Grants & High School Senior Scholarships.

Hunter Marks & Jason Wilde will soon be rallying our members to label & distribute dictionaries to all 3rd grade students registered in Henderson County. For some students, it will be the first

reference book that they can call their own. These dictionaries contain not only words but sections on all the US states, foreign countries, weights and measures, and the solar system. Teachers continue to incorporate their lesson plans with these dictionaries, demonstrating the use of reference books for classroom assignments and personal information.

Did you know that over 43 million adults in the United States cannot read, write or do basic math beyond a 3rd grade level? Or that a mother's reading skill is the greatest determinant of her child's future academic success?

You won't want to miss fellow Rotarian Katrina McGuire, Executive Director of Blue Ridge Literacy Council as our program speaker on September 13th, as we learn more about the scope of low literacy in our community.

Yours In Rotary Service,
Laura

Care & Concern, 9/2/2022

By Craig M. Kirkpatrick Jr. on Friday, September 2, 2022

At the risk of sounding like a broken record, Ron Holt is doing well--gently recovering from his various neck issues brought on by that horrific bike accident back a couple of years ago. Sometime late this month, he'll see his Chapel Hill doctor and hopefully start physical therapy. Again, please keep Ron in your prayers.

On another note, last Tuesday we announced the untimely death of Dr. Don Jones, father of our own Bradley Jones. Please keep Bradley and his entire extended family in your prayers.

From Our District Governor

By Julie P. West on Thursday, September 1, 2022

Rotary has a long history of providing service to youth. Each year, more than 300,000 young people participate in Rotary programs like Interact, Rotary Youth Exchange, and Rotary Youth Leadership Awards (RYLA). Many club and district mentoring programs, immunization efforts, job training programs, literacy projects, and other initiatives also help young people or other vulnerable populations.

Unfortunately, no organization or program is invulnerable to abuse or crises. They can and do occur in even the most seemingly positive settings. Predators often seek teaching, coaching, or other positions that give them access to children and teenagers. Others who are committed to working with youth sometimes find it hard to believe that some adults will abuse the trust placed in them, so they may not notice the signs. Rotary takes youth protection very seriously, and it relies on our members to foster safe environments that prevent abuse and to respond appropriately when it occurs.

The youth of District 7670 are a valuable part of the communities in our area and benefit from the many services Rotarians give. As part of the commitment of being a Rotarian, youth protection should be a high priority. Rotary International's Statement of Conduct for Working with Youth states:

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouses and partners, and other volunteers must safeguard the children and young people with whom they come into contact and protect them from physical, sexual, and psychological abuse.

Rotary International has valuable training material for Youth Protection Services and all Rotarians who choose to participate in events, projects, etc. involving youth, must complete the Youth Protection education in MyRotary.org. Below are instructions to help you easily find and complete this training.

All Rotarians are encouraged to complete this training and commit to protecting the youth of our District. Let's stand by the young individuals!!

2022 Rotary-Peace Corps Week: Peacebuilding on the Ground

By Tim Radford on Monday, August 22, 2022

The theme of the second annual virtual, week-long celebration from 19-23 September 2022 is "Peacebuilding on the Ground." The week will focus on the service partnership between Rotary International and the [US Peace Corps](#). [Partnering for Peace](#) (PFP): [Friends of Peace Corps and Rotary](#), a group of Rotary members and Returned Peace Corps Volunteers, is hosting the week. Rotary members, Rotary Peace Fellows, and the Rotary community are invited to join and learn about how the partnership can support your peacebuilding and service projects.

How can your Rotary community participate in this week-long grassroots initiative?

- Attend a [webinar and/or discussion](#) during the free, online event
- Invite a member of the Peace Corps community to speak about their service experience at an upcoming club meeting. To find a speaker, contact:
 - The [Peace Corps](#) office in your country
 - [Returned Peace Corps Volunteers](#) or contact info@partneringforpeace.org
- Organize a Rotary service project or social event with members of the Peace Corps community.
- Join [Partnering for Peace](#) for free (both individual and organizational memberships available)
- Honor current and returned Peace Corps Volunteers at an upcoming meeting or conference.

For more information, email_events@partneringforpeace.org or visit the [Rotary-Peace Corps Week](#) site.

For clubs in District 7670 who wish to invite Peace Corps Volunteer to speak briefly about their experience, contact Margaret Davis at margaretwd@charter.net

Partnering for Peace (PFP) is organized and led by Rotary members who have served as Peace Corps Volunteers. PFP facilitates professional connections between Rotary members and members of the Peace Corps community through ongoing networking, technical support, and fellowship.
