Bob's Bowls Support CART

By Tiffany Ervin

A note from Dr. Debbie Perry (RC of Denver/Lake Norman):

These gorgeous wooden bowls at the CART display table caught my eye. I then saw the sign that they were made by a fellow Rotarian- how perfect. Then read this Rotarian- Bob Engstrom was involved in developing pharmaceuticals pertaining to cholesterol management. I always look for connections in the world around me and knew the perfect home for 2 of these bowls.

Myself, retired family medicine physician and Alacia Tarplay MD, internist/ lipidologist/ medical director have likely written hundreds of prescriptions for drugs that Bob helped develop. So many lives saved by lowering cardiovascular risks.

How wonderful that these bowls served as a CART fundraiser but also helped connect fellow Rotarians and healthcare professionals.

Yet another example of the Magic of Rotary!

Service above Self,
Debbie Perry MD

Four Seasons Rotary Recognized At All-Star Weekend

By Tiffany Ervin

The Four Seasons Rotary Club (& the Satellite Club for Alzheimer's Research) was well-represented at the Rotary All-Star Weekend (District Conference) in Greenville, SC.

President Michele and Past President Cristina both shared blessings at meals (in Hebrew and Spanish, respectively), Past President & Assistant Governor Melissa presented on our #CreateHopeInHVL project, Tim was the emcee for the entire weekend, Past District Governor Tammy presented the annual CART awards, Angela served as the Stage Manager, and Past District Governor Tiffany chaired the entire event. Other members in attendance were President-Elect Hal, Dick, Wade, Harriett, Chris, Donnie and Madyson!

Even Lee made a "guest appearance" in one of the videos, and some of Bob's hand-turned wooden bowls were sold to raise additional funds for CART! Cristina was also recognized on stage by RI Director Jeremy as the district's newest Major Donor! (Stay tuned - we will share all the videos very soon as they are posted.)
