## Winter Weather Policy

By Tiffany Ervin

Before winter weather arrives, it's important to review our club's "winter weather policy."

We follow the lead of Henderson County Public Schools. So our club meetings will be CANCELED any time HCPS cancels school, delays the start of school or dismisses school early due to weather. This does NOT automatically mean previously-scheduled club meetings or activities are canceled for school holidays or vacations. This simply relates to weather-related changes to the HCPS calendar.

In an abundance of caution for our members' safety, we DO NOT MEET if winter weather has caused a delay in school opening, an early dismissal of classes, or the cancelation of a school day.

## George Sisson Literacy Program

By Tiffany Ervin

Since 2002, the Four Seasons Rotary Club has found a unique way to honor and recognize the speakers at their weekly meetings. While many clubs around the world present coffee mugs, ink pens and other trinkets, we donate books to the local public school libraries as part of the George Sisson Speaker Book Program.

The program was named for Sisson, a former Secretary and President of the club in the early 2000s. Each week, speakers are asked to sign a small sticker to be placed inside the book. Media specialists at each of the Henderson County Public Schools create a "wish list" of books they need in their libraries, and those books are purchased by Four Seasons Rotary with funds raised during the annual Tour d'Apple bike ride.

This year's books were delivered last week during a meeting of public school administrators and media specialists. Thanks to those who helped distribute this year's books as part of our annual literacy project.
