## Red Sand Project

By Tiffany Ervin on Saturday, July 23, 2022

We are excited to collaborate with the Hendersonville Rotary Club to present Henderson County's first Red Sand Awareness Project on Sat, July 30, 9-11am at the Historic Courthouse on Main Street.

**Red Sand** is a participatory artwork project that uses sidewalk interventions and earthwork installations to create opportunities for people to question, connect and take action against vulnerabilities that can lead to human trafficking and exploitation.

Our guest speakers on Monday, July 25, will be Laura Phipps and Sarah Huter from Safelight Believe Child Advocacy Center. Laura also serves as the current president of Hendersonville Rotary. Join us Monday to learn more about the upcoming event we are co-sponsoring, as well as some local statistics and educational opportunities regarding human trafficking.

## Tour D'Apple Riders Donate To Support Local Needs

By Tiffany Ervin on Sunday, July 24, 2022

In recent years, Tour D'Apple cyclists have made extra donations to help in-need children with shoes and coats. Last year we made a very generous donation to Interfaith Assistance Ministries (see photo).

This year, 100% of the donations collected will buy Christmas bicycles for children in-need in partnership with The Storehouse or assist with construction of the Ecusta Trail pathway from Hendersonville to

Brevard!! How awesome is that!?

Our goal is \$2500 in additional funds this year, and thanks to several generous donors already, including one who donated \$500, we are already ahead of last year's total giving!

## Hendersonville

By Tiffany Ervin on Sunday, July 24, 2022

Human Trafficking Awareness Week is recognized in the United States from July 24-30, and two local Rotary Clubs want to make sure the issue doesn't "slip through the cracks."

The Rotary Clubs of Hendersonville and Four Seasons are partnering with the Henderson County Sheriffs Department, the City of Hendersonville Police Department, Safelight, Life 107, One Voice and other local non-profits to bring awareness to Human Trafficking locally and around the globe.

Rotarians will sponsor the area's first "Red Sand Project" on Saturday, July 30, 2022, from 9-11 a.m. at the Historic Henderson County Courthouse on Main Street in Hendersonville, and the public is invited to attend and participate.

District Governor Tammy Mosteller (Rotary Club of Lincolnton Sunrise) has asked every club in Western North Carolina to help bring this issue to the forefront. Mosteller plans to attend the event in Hendersonville and will speak about the importance of Rotarians' involvement in this cause.
