Assistant Governor Visit-Ken Shull

By Robert Engstrom on Monday, July 29, 2019

DG Tiffany Ervin has asked all assistant governors to visit each club in the district during July to present an "official visit" and share district goals and important information. We were privileged to have our AG and DGN Ken Shull visit Monday and present this year's Rotary theme banner **Rotary Connects The World** to PE Chris Johnson. Ken shared DG Tiffany's district theme **Southern Fried Rotary** and explained we show southern hospitality and service and are welcoming to all. He unveiled the new **Southern Fried Rotary Pin** that will be awarded by our Governor to those who do 4 of the 5 following items this year: sponsor a new member, donate \$25 or more to the Foundation, participate in a service project, attend a district conference and visit another club. Anyone who attended the "Southern Shindig" district officers' installation in June can already check off one item!

He says the Rotary Vision statement succinctly expresses our Rotary "why" (Together we see a world where people unite and take action to create lasting change-across the globe, in our communities, and in ourselves). Ken shared DG Tiffany's two goals: 1- to have fun and 2- to do good in the world. He challenged all to participate, to **think outside the box** and then shared "there is no box!" so don't be constrained by "the way we've always done it."

Ken announced a district 7670 **Cinderella Project** where we provide shoes to some needed group in our community - it could Special Needs athletic shoes, firemen boots, prom shoes, etc. Our club will need a "chairman" to select our community project and lead the way. Ken spoke about a cruise to be held Feb. 2-9 out of Miami, 7 days on the Norwegian Encore, which will be a fundraiser for PolioPlus. Anyone can participate (not just Rotarians) and \$100 per person will be donated to The Rotary Foundation for polio eradication!

July Meetings

By Melissa D. Johnson

On July 29th, MaryBeth Burns, a fellow Rotarian, will be here to tell us about Blue Ridge Honor Flight, a program I am proud that FSRC is supporting this year!

Rescue Mission (July)

Thank you to Lisa & Joanne for serving at the Rescue Mission on Saturday. If you're willing to sign up for one of our monthly shifts, please see Bob Engstrom.

Monday, Aug 12 Meeting

By Robert Engstrom

On Monday August 12, the club will meet at **Appalachian Coffee, 1628 5th Avenue W, Laurel Park**, 5:30 - 6:45 pm. The program will be an update on the Tour d'Apple cycling event on Labor Day (Sept. 2). The club will provide sub sandwiches, hot dogs or a veggie option, and soft drinks,

chips, etc. A cash bar for coffee, wine & beer will be available. Families are invited! Parking is available at the church parking lot beyond Appalachian. **Dick Miley requests a sign-up** by Email to Dick Miley @ remiley45@gmail.com or call 828-551-6988. He needs number of people coming, food preferences (subs: turkey & cheese or ham & cheese, hot dog, or vegetarian option). Sign-ups are also requested to help setup and cleanup.

Countdown To History - PolioPlus Campaign

By Tiffany Ervin on Wednesday, July 10, 2019

We are excited to announce a new awareness/public image campaign to help our clubs, members and community learn more about the effort to eradicate polio. Watch this video on our new YouTube channel (& be sure to "subscribe" while you're there to be notified of new video posts!) to learn more!

Matt Gruebmeier, Henderson County Public Schools

By Robert Engstrom on Saturday, July 20, 2019

Matt Gruebmeier, director of Student Services with Henderson County Public Schools presented a program on the importance of his work in the community to identify and help students with problems. As a former teacher and principal, he has done it all. He noted that while Henderson Co. ranks high in the state in education ratings, health and economic development, it ranks in the bottom half in the Dept. of Social Services custody of children and child neglect or abuse. These are problems unrelated to school and teachers are now trained to recognize student's problems and provide help such as referral to county newly approved social workers.

He said elementary children are willing to talk about problems, high school kids have learned to deal with issues, but middle school kids won't talk about problems. He showed that these issues, a lot depending on anxiety, lead to mental health problems that are often suffered in silence for 10 years before seeking help. He works with teachers and the community to have students finish better than they started. He thanked us for partnering for a few years with the hunger/food drive that Will Moyer coordinates during Easter and Thanksgiving. He pointed out that beyond the food received, the most importance to the recipients is recognizing that people care. Matt gave examples of ways we can help: be a reading buddy, help with Boys and Girls Club, be a foster parent.
