## June is Rotary Fellowship Month

June is Rotary Fellowship Month. Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience. Membership in a fellowship is open to any interested individual, so let's get involved. There are many fellowships already established, but new ones can also be created. Visit [Rotary.org](http://Rotary.org) for Fellowships to explore the long list of specific topics.
