"Field Trip to IAM" - Four Seasons Rotary

By Robert Engstrom on Wednesday, October 2, 2019

On Monday, Sept. 30, Four Seasons Rotary took a "field trip" to do a service project at Interfaith Assistance Ministry (IAM). Members brought 190 lbs of nonperishable food items to stock the IAM pantry for Thanksgiving and Christmas meals. Members helped clean shelves in a cooler before putting away perishable items. Nonperishable items were put on shelves and hundreds of plastic shopping bags were rolled for use in distributing food items.

Dick Miley presented a check for \$195 to IAM to help purchase needed items. The money was donated by riders in our Tour de Apple above and beyond their registration fees.

Southern Fried Rotary Pin

By Melissa D. Johnson on Sunday, October 6, 2019

Thanks to Wade, Cristina and Chris who joined me at the recent district training in Asheville. An inspirational day and another "check" towards that Southern Fried Rotary pin... If you attended DG Tiffany's installation that also counted as a "district event." And if you've already made a contribution to The Rotary Foundation this year and participated in one of our many service projects, that's two more items you've done. You only have to do 4 out of 5 - the other 2 are

sponsor a new member (way to go Cristina!) and visit another club...

Be sure to let me know if you have finished the requirements... we hear DG Tiffany is handing those pins out all over the district and we want to be sure we get ours too!

Winning team wins \$1,000 cash and a trophy! Registration is considered complete when payment is received. Checks may be sent to Four Seasons Rotary, PO Box 2888, Hendersonville, NC 28793. More information is available from event chairman Chris Johnson (828-329-2334).

Special Needs Sports Fall Picnic

By Tiffany Ervin on Friday, October 4, 2019

Not even a short thunder/lightning storm and a few inches of rain could dampen the 2019 fall picnic for WNC Needs baseball. More than 100 players, families and friends showed up to enjoy the 170 pounds of smoked Boston Butts, side dishes and drinks. There was even cake! (DG Tiffany also brought back the leftover drinks and fruit from the morning's district training, so there were a few healthy options too!)

The participants in the martial arts class did demonstrations, there was live music from "Keeping Up With The Jones" (no relation to Donnie) from Tennessee, and Lion Drive also made an appearance. Join Four Seasons Rotary and WNC Special Needs Sports for the next games "under the lights" (due to Farm City Day) at Jackson Park on Sat, Oct 5. All teams will play at 6:30 p.m. on Fields 8/9 so don't miss this special evening!

George Lewis

By Robert Engstrom on Sunday, September 29, 2019

DG Tiffany Ervin filled in for President Melissa Johnson and introduced our speaker for the Sept. 23 meeting. George Lewis is a retired stock broker and known in Rotary as ♦The Water Man.♦ He was born in New York City and grew up in New Jersey. George was an All-State, All-American and All-Army baseball player who played professional baseball for several years in the Boston Red Sox organization.

While on a Rotary project to Guatemala where he helped put in stoves, he saw the critical need for water. Since then, it has been his passion to get Rotary clubs all over the country to work on water projects. He says ♦get out of the box♦ and take action on what you want to do. George took an art class several years ago and since then has sold his paintings in 17 countries to Rotarians who want to do good in the world. He will do a painting (mostly pets these days) for \$100 and give the money and Paul Harris credit back to the club to use for water projects. He also encouraged our club to join other clubs to work on global grants.

George is a member of the Rotary Club of Lakewood Ranch (FL), a major donor level 2 to The Rotary Foundation, and a member of the Paul Harris Society.
