Update on Cristina

By Tiffany Ervin on Sunday, September 11, 2022

As most of you already know, Cristina tested positive for COVID the day before the Tour D'Apple & was unable to volunteer at the event that day. This past Friday, she was also diagnosed with pneumonia and hospitalized at Pardee. We are looking for folks to help with Roger while she is in the hospital, and I'm grateful for folks who have already stepped up!!

We would like to get him out of the house for a few meals until Cristina is home, then we will need help with some folks dropping off food until she feels well enough to cook. (There is a ton of food in the house, so we aren't looking for folks to just drop off extra food at this point!) He is being tested daily for COVID and the house is being sanitized regularly.

The current (but constantly changing) schedule is:

Sun Dinner: Dick & Carol Miley

Mon Lunch: open

Mon Dinner: Tiffany will bring him to Rotary & take him home

Tues Lunch: open

Tues Dinner: Gene & Sallie Carr

Wed Lunch: open

Wed Dinner: Wade & Sarah Saunders

If you can help by taking Roger out to lunch Monday, Tuesday or Wednesday, please text or call Tiffany (828-243-5870) or email me (tiffany@tiffanyervin.com). I will be in Murphy today & tomorrow, so leave a message if I don't answer!

Cristina is in isolation at the hospital, so no visitors or flowers, etc at this time. She does have her cell phone if you want to text her, but it is very difficult for her to speak due to the pneumonia and difficulty breathing, so please do not call her. I hope to have an update by Monday evening!

Celebrate Safety & Success of the Tour d'Apple

By Richard E. Miley on Saturday, September 10, 2022

Let's give thanks to so many Club members and other volunteers who help to make the 10th annual TDA a safe and successful event. Come and get a Tour d'Apple tee-shirt on Monday at our regular Club meeting!

From a TDA Cyclist...

By Tiffany Ervin on Wednesday, September 7, 2022

I'm glad I was one of the 150 or so riders to show up. It was a never to be forgotten ride. I ended up combining the green route with the blue 10 mi. loop above the first rest station. The rest station folks were awfully good company. Hanging out on the loading dock eating P.B. sandwiches, drinking Gatorade and watching the show was delightful. After the blue loop I stopped again at the station but had to leave because I was soaked and getting cold.

The sheriff's dept. was great with their stopping cars to get us across intersections. Lunch was great. The bathroom in the college building nearby provided a place for me to change out of my cold and sopping wet clothes. I got a free massage from the fine fellows under the tent.

I'll look forward to the ride next year when I'm 80.

Yours,
Dan D.

Birthdays

Tiffany Ervin
September 15th

By Tiffany Ervin on Sunday, August 28, 2022

Thank you to Sarah & Cristina for representing us on Sat, Aug. 27, at the Hendersonville Rescue Mission.

Did you know we have served lunch at the Rescue Mission on the 4th Saturday of each month for more than 30 years?

Volunteers are still needed for future months. Please contact [Bob Engstrom](#) to sign up!

Happy Birthday Melissa!

By Tiffany Ervin on Sunday, August 28, 2022

Thank you Melissa for recognizing our club's commitment to #TheCARTFund by contributing a donation to help #EndALZ in honor of your birthday!

October 24th is World Polio Day

By Tim Radford on Thursday, September 8, 2022

Since the eradication of the Polio virus in the United States in 1979, many have forgotten about this crippling virus. That was until recently when a case of the vaccine-derived poliovirus type 2 surfaced in New York, and isolates in several environmental samples collected in London are reminders that as long as polio exists anywhere, it is a threat everywhere. The individual that unfortunately contracted the virus was not vaccinated. This highlights the importance of vaccination as the only form of protection against polio and other vaccine- preventable diseases.

Now is the time for clubs to start planning for an event to raise awareness and funds to help Rotary complete this mission of ridding the world of Polio. In the past, clubs have used "Purple Pinky Fundraisers", "Pints for Polio" and "Run for Polio" as such an event. To learn more on how to plan

DACdb TIPS - Using PMail to Contact Committees

By Joey Macaluso on Thursday, September 1, 2022

Calling all Committee Chairs!!! Did you know you can use DACdb to keep in touch easily with all your committee members? Its simple:

1. Log in to DACdb
2. Click the "My CLUB" tab at the top of the page.
3. Click on Club Committees
4. From the list click the **PMAIL Icon**  next to the committee you want to contact.
5. Add a subject and compose your email in the space provided.
6. When you are ready click Send, at the top right!

Club Committees

The TO list on the mailing page will list those you are sending the email to. This includes all the committee members that have listed email contacts in DACdb. You can also add more members by clicking the **TO button** and using the pop-up window.

Leaving the Dear {%FName%}, in the text will allow PMAIL to auto-fill the person's first name when sending the email.
