News for Thursday, Apr. 1

Hello Fellow Rotarians,

I hope this note finds all of you well.

With Spring here, it is time to do some Spring Cleaning - outdoors! **On the morning of Saturday, April 17th, we will have a service opportunity at the Rotary Traffic Islands** in town. We will pull weeds and clean up the area in preparation for planting flowers in May.

Another outdoor service opportunity is the **annual Tuck River Cleanup**. This year the event will take on a different twist. The event is **happening asynchronously between April 19 - 23 to avoid large crowds** during the pandemic. Participants can choose their favorite outdoor spot - land or water - and clean up the area anytime during the specified dates. More info will be shared at this week's meeting and in email.

This week's program will be delivered by **Ed Lopez, Professor of Economics and Director of the Center for the Study of Free Enterprise**, WCU. The mission of the CSFE is to provide economics research and thought leadership on issues pertaining to **economic development in North Carolina, the region, and beyond**.

As always, we will meet Thursday at Noon via Zoom. I hope to see you there!

Stay Safe, Stay Well, Stay Engaged!

Joe

How Can I Do Video Make-ups of Club Meetings?

By Scott Baker

Great question! We are recording all the virtual meetings for the club. You can get a make-up AND stay current on club happenings by watching. You get to report a make-up for watching as well! Win-Win!

Go to this web page:

<http://www.sylvarotaryclub.org/video-podcasts.php>

to get to an online list of available videos, or go to any page on our club's web site and then click the Video Podcast link menu item (shown in the image above).

Although the videos are on the club's YouTube channel, you'll need to get there by clicking on a link in the online list.

If you have any questions please contact webmaster Scott Baker.
