News for May 4, 2023

By Scott Baker on Wednesday, May 3, 2023

Dear Rotary Friends,

Thursday will be one of the most fun days of our Rotary year. It is when the work from our fundraisers and efforts is shared with great non-profits doing amazing work in our community. We are giving out around \$15,000 to 16 very deserving Jackson County organizations on Thursday at noon at First Baptist Church in Sylva. Thank you to Joe Rigdon and the committee that made these selections. Each organization will have a representative and we will present them with a check and share a bit about the good work they do. Looking forward to this day of demonstrating the impact of the Rotary Club of Sylva. Thank you for being part of the club to make this possible.

Food is available from Mad Batter to be ordered and delivered. Orders can be made at <https://www.madbatterkitchen.net/>. Delivery is possible if ordered by Wednesday at 3 p.m. using the process below:

Tap Checkout

1. Scroll to the bottom of the screen.
2. In the box at the bottom where it says: "Add a note for the seller," type in "Thursday Rotary."

The club will provide bottled water. It is not necessary to order food to join us. ??????

Many thanks to the great group of Rotarians who took part in the Cleaning Up the Mountains event by the Jackson County Litter Task Force this past Saturday. They collected 10 bags of trash on the Tuskasegee River on North & South River Road in Webster. Great job! Thank you to all involved.

We are happy to announce the Jackson County Early College Rotary Interact Club has returned with 13 interested members for next school year. Very excited to have this program back at JCEC!

Finally, we will have a Rotary Island Cleanup on Saturday, May 6th. Thank you to Carr Tyndall and all who participate in this service to keep the entrance to Sylva looking good! Things will start at 8 a.m. and anyone is invited.

Appreciate all you all do to keep the "Greatest Rotary Club In The World" spirit going!

Yours In Rotary Service,
Mike & Todd

beautiful. We were honored to participate in the Cleaning Up the Mountains event by the Jackson County Litter Task Force. In total, we collected 10 bags of trash on the Tuckasegee River on North & South River Road in Webster. This is one of the most fished areas in Jackson County, so a great location to keep clean. Thank you to all who took part in Cleaning Up the Mountains! [#ServiceAboveSelf](#) [#PeopleOfAction](#) [Rotary District 7670](#)
