News for July 4, 2024

Dear Rotary friends,

Happy Independence Day to all the esteemed members of The Greatest Rotary Club of the World!

We hope you enjoy this special day of the 4th with your loved ones. As we celebrate the spirit of freedom and unity, let's also take a moment to reflect on our shared goals and commitments.

Please note that there is no meeting scheduled for this week.

Our first meeting will be held on **July 11th**, and I encourage all members to make every effort to attend. Your presence and participation are crucial as we embark on this journey together. The July speaker schedule is on our club website now.

As a leading force in our community, our club has consistently exemplified the true meaning of "Service Above Self." Let us recommit to this noble motto and continue to make a positive impact on those around us.

Quote of the Week:

"It is not more bigness that should be our goal. We must attempt, rather, to bring people back to the warmth of community, to the worth of individual effort and responsibility, and of individuals working together as a community, to better their lives and their children's future."

â€" **Robert F. Kennedy**

Looking forward to seeing you all on July 11th!

Yours In Rotary Service,
Joye & Mike

Thank you to all who helped with Refresh Poteet Park

The Rotary Club of Sylva recently had a service project of Refresh Poteet Park in downtown Sylva. Members and friends of Rotary worked Friday and Saturday in the heat to stain and repair the park. This equipment was installed by the Rotary Club of Sylva in 1999, and the club partnered with Hands on Jackson to keep it looking nice for our children. Thank you to all who worked so hard to keep this incredible gift to our community children looking good.
