Announcements

ADG Laura Phipps, Club President Dave Scherping, DG Connie Molland

Thank you to everyone who attended our Installation Dinner last week. It was a great evening, and we were very fortunate to have both District Governor, Connie Molland, and ADG Laura Phipps in attendance. Now that the formalities of starting the Rotary year are out of the way, it is time to start creating "**The Magic of Rotary**".

This week's meeting will be presided over by our Club's President-Elect, Martin Gilchrist. The speaker will be Atticus Fehl, from the YMCA. He will be discussing the programs the YMCA is already offering in our community.

This week's lunch will be provided by: Beth McCallister.

You should have received your Club Dues invoice recently. Please get your payment in soon, so Kam doesn't have to track you down for a payment.

2024 Installation Dinner

The Rotary Club of Tryon held their annual Installation Dinner for the Club's 2024-2025 President & Board of Directors. District Governor Connie Molland was on hand to officiate over the installation.

Rotary Club of Tryon President Dave Scherping, District Governor Connie Molland and the Board of Directors: Martin, Stephanie, Kam, Kristin, Allan, Ken, Skip, & Bill.

The night's events included a special presentation to Rotarian Charles McKeller for his continued service to the Rotary Club of Tryon Foundation. Chalres started his service to the Foundation when he helped create it, and he has continued to support the Foundation's work by serving as a Board Member, President, and Treasurer. The Rotary Club of Tryon, and our Foundation, are very fortunate to have Charles serving our organization.

This year's Rotary Theme is "The Magic of Rotary", so the Club invited N8 The Magician to entertain the attenders with his card tricks.
