Announcements

Thank you to Rotarian Michael Baughman for hosting the Saluda Grade Trail public information meeting this week. During the presentation, representatives from engineering firm TPD, Inc., presented their findings from the public input process, discussed the existing condition of the trail corridor, and projected regional economic impacts the trail would provide. To learn more about the Saluda Grade Trail, visit: <https://www.saludagradetrail.org/>

This week's program will be Brandon Highsmith & Melissa Oâ€™Loughlin to talk about the Polk County Revaluation, Exemptions and Property Taxes. It should be a very informative presentation.

This week's lunch will be provided by: Andy Haynes

2024-2025 Club Goals

The old adage is true; if you want to decrease meeting attendance, schedule a meeting to discuss your Club's goals for the year. During last week's meeting, the members reviewed the Club's Goals for this year and worked to develop strategies to meet the goals.

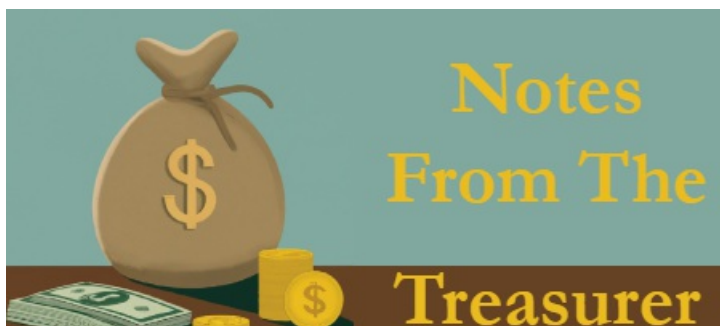

Our goals are based on the Rotary International Strategic Priorities.
