Announcements

Thank you for all you did to make the 2024 Shrimpfest a success. We had over 250 guests for the 22nd Annual Shrimpfest, and from everything I heard they had a great time. We will not be meeting this week, giving everyone a little time to rest and prepare for our next events.

October is going to be a very busy month, filled with many opportunities to volunteer. Check the calendar for the events that work with your schedule.

There are five Thursdays in October, so we are planning a social event on the evening of October 24th. We will share the details after the arrangements have been finalized.

2024 Shrimpfest Success

The Rotary Club of Tryon hosted our 22nd Annual Shrimpfest last week. With over 250 people in attendance, the evening was a great success, filled with wonderful food, music, and fellowship. The Club is very grateful for the support provided by the Nest Catering & Events, The Hare & Hound Pub, the Hunnilicious Band, and students from Polk County High School. Thank you everyone who worked to make the event a success and to all those who attended. Together we are spreading the work of Rotary.

Shrimpfest is the Club's largest fundraiser of the year, and we want to thank the companies that donated auction items for the event. It is wonderful to have such generous support from local companies. The proceeds from Shrimpfest will go to Rotary programs in our local community and around the world.

We hope to see everyone for the 23rd Annual Shrimpfest next September!

New Dues Paying Option Coming in October

Starting with your dues invoices going out in October for the October/November/December quarter, you will have the option of paying online. BUT to be able to do this, you need to let me know in advance. Then I can turn on this "Pay Now" option on your invoice. If you do select this option, I will also be adding a "Pay Now" 3% convenience fee to your invoice.

You can let me know (or ask questions) in a variety of ways:

- Email me at either kamk@aol.com or RCOT6046@Outlook.com.
- Text me at 214-780-0635.
- Tell me at a meeting

Once you have selected this option, it will remain in effect until you tell me differently.
