Announcements

Thank you to everyone who stayed and helped with the Birthday Bag project. We created over 30 bags that will be distributed to Outreach, Steps to Hope, food pantries, and other community organizations.

Our next RIF distribution will be at Tryon Elementary on Friday 10/25.

We will not have a noon meeting on Thursday. Find a friend or colleague that you think would be a good fit for Rotary and bring them to our Club Social at **Mountain Brook Vineyard**. The event is \$20 for members, but potential members are free. See more information below.

Club Social - October 24th

October has five Thursdays, so it is time for another social event. Along with getting together for fellowship, we also want to use this opportunity to grow Rotary.

This month we will be meeting at Mountain Brook Vineyards' Experience Center from 5:00-7:00 PM on October 24th. The cost for the event is \$20 for members & guests. If your guest is a prospective member, they get in free.

This is a great opportunity for members to bring guests you think would be interested in learning more about Rotary and the work we do in our community.

RIF at Sunny View Elementary

Reading
Is Fundamental

The Rotary Club of Tryon recently distributed books to the students at Sunny View Elementary School as part of our Club's Reading is Fundamental (RIF) program. As each class came into the Library, a member of the Rotary Club introduced the students to the program by reading a few selected passages from the available books.

Sunny View Elementary students select a book to add to their home library.

Rotarian Megan Conner shares a story with Sunny View Elementary students.

Rotarian Carol Browning shares a story with Sunny View Elementary students.

Rotarian Brandon Schweitzer shares a story with Sunny View Elementary students.

After the introduction, students then had the opportunity to select a book to take home. The Rotary Club of Tryon holds two book distributions at Sunny View every year. When students start in the school's PreK program and stay at the school through 5th grade, the Rotary Club will have donated 14 books to the family's home library.

The Rotary Club of Tryon has book distributions scheduled for Tryon Elementary later this week.

Birthday Bags Packed by Rotary Club

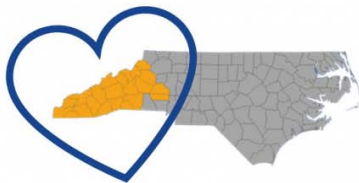

The Rotary Club of Tryon packed Birthday Bags for local children during last week's meeting. Families being helped at Outreach, Steps to Hope, and other local agencies can pick up a Birthday Bag to ensure children have a very special birthday.

The program was organized by Rotarian Stephanie Winterrowd.

Rotary District 7670 Recovery

District 7670:
United in Service,
United in Recovery

As the power, water, and other essential services are restored for many of us in Polk County, we remember those in our Rotary District that were devastated by this storm. Rotarians across our district have lost their homes, businesses and the feeling of safety in their community.
