

# Rotary Club of Tryon

Wednesday, October 30, 2024

## Announcements

Last week's Club Social & Membership event was a great success. We enjoyed the Experience Center at Mountain Brook Vineyards, shared a meal and laughter with friends, and met three prospective Club members: Jared Kersoma, Elieen Mehta, and Liz Mossina. Please make the prospective members feel welcome if you see them at Club meetings & events.

Nuts Sales shifts have been added to the online sign-up form. Check the form to find an opening, so you can enjoy the fun of sharing the work Rotary does in our community. We also need Rotarians to sign-up for lunch in November & December.

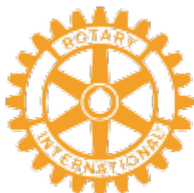

**This week's Program:** Graham Fields from AdventHealth

**This week's Lunch:** Stacey Lindsay & Kristin Hyland

The Rotary Club of Tryon recently distributed books to the students at Tryon Elementary School as part of our Club's Reading is Fundamental (RIF) program. As each class came into the Auditorium, a member of the Rotary Club introduced the students to the program by reading a few selected passages from the available books.

## Elementary students.

Rotarian Brandon Schweitzer shares a story with Tryon Elementary students.

After the introduction, students then had the opportunity to select a book to take home. The Rotary Club of Tryon holds two book distributions at Tryon Elementary school every year. When students start in the school's PreK program and stay at the school through 5th grade, the Rotary Club will have donated 14 books to the family's home library.

## Community Chorus Tickets

The Community Chorus Holiday Concert is scheduled for December 15th at Polk County High School. Our Club has a few responsibilities for the concert, the most important of which is to promote the event and sell tickets. Each Rotarian will be receiving event tickets soon.

## Rotary District 7670 Recovery

District 7670:  
United in Service,  
United in Recovery

As the power, water, and other essential services are restored for many of us in Polk County, we remember those in our Rotary District that were devastated by this storm. Rotarians across our district have lost their homes, businesses and the feeling of safety in their community.

Please donate to the Rotary District 7670 Relief Efforts at <https://rotary7670.org/index.php>
