Announcements

Our Fabulous 4th Bike Tour is next week. If you haven't signed up to do your part yet, please reach out to Lisa Bell. We need everyone's help to make this event a success.

Rotary Foundation Recognized by TRIFF

The Rotary Club of Tryon Foundation was recognized during the first annual Tryon International Film Festival artist poster contest. The event, held at the Tryon Arts and Crafts School, showcased the poster images created by 10 very talented artists. The Rotary Club of Tryon Foundation funded a grant to the Polk County Film Initiative to help support the educational and training component of the Film Festival.

TRIFF Poster Winner Cori Anna Klepac

The winner of the contest was Cori Anna Klepac with her wonderful representation of Tryon and the Film Festival. Her artwork was turned into the poster for this year's, 10th Anniversary Festival.

Dowsing at Rotary

The Rotary Club of Tryon was excited to have Garland Rice demonstrate his dowsing ability at a recent meeting. Garland learned to dowsing when he wanted to install a well on his property.

When the two dowsers he knew locally were not available, he received a little instruction and did it himself. To date, he has successfully identified sites for two wells. Although he can provide no "scientific" explanation for the phenomenon, he believes the rods react to the CHI (life force) in the water.

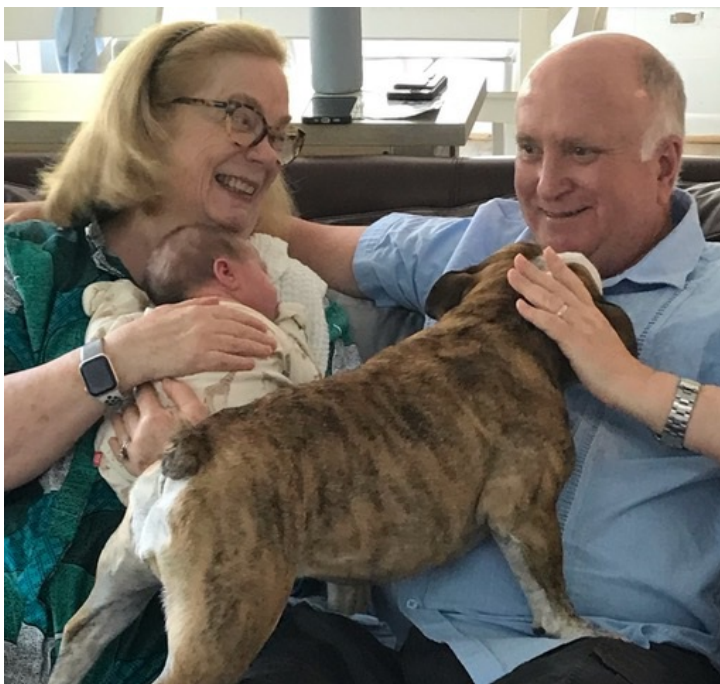

After his demonstration, many Rotarians gave dowsing a try and were successful.

Hagertys in Virginia

The Club received this note from the Hagertys last week.

It happens everywhereâ€”came back to my car in the grocery store parking lot, saw a genial man pointing at my Rotary decal and suggesting I visit his club. And the club is near the home of our new grandson, Hank!

Thinking of yâ€™all as the Fabulous Fourth approaches,

Barbara
