## Does your club have a vision statement?

By Tammy Mosteller on Monday, July 25, 2022

What is a vision statement? A powerful vision statement stays with you, such as Disney's "to make people happy" or Instagram's "capture and share the world's moments." If you are intentional in your efforts you can create a vision statement that encapsulates your club's core ideals and provides a roadmap to where it wants to go. [Read More](#)

The Governor's Club of Excellence and Distinguished Club Citation (Pink Pages awards) will be presented, as well as some other awards to celebrate membership, public image and a record year of giving to The CART Fund.

We will return to the venue that kicked off the year with the installation last summer. There will be no charge to attend the event. It will include time to mingle, a short awards and appreciation ceremony, and then more time to mingle. There will be a cash bar serving the vineyard's wines and meads, as well as beer and soft drinks. Light appetizers will be provided, so be sure to register, so we can plan appropriately.

The setting is a covered outdoor area, so please come casual - no jackets, ties or fancy dresses. Shorts and Rotary golf shirts will be perfect!

Register today in the DACDB Calendar, then come help us celebrate a great Rotary year!

## Newest Member of Rotary Club of Lincolnton-Sunrise

By Tammy Mosteller on Saturday, July 23, 2022

Assistant Governor Julie West inducted the Rotary Club of Lincolnton-Sunrise's newest member, Andi Brymer, sponsored by our District Governor Tammy

Mosteller.

In June, Andie contacted the club through their Facebook page, wanting to know what Rotary was all about. Tammy Mosteller contacted her and invited her to attend the next meeting. She continued to attend the meetings and loved the work that Rotary does in the community. Tammy then proposed her for membership.

Membership chair Diane Brogden met with Andie, and it was decided this was the right club for her!

Andie is married to Joseph Brymer and she works for Phoenix Counseling in Lincolnton, NC. She is ready to do good things in the world!

## **SAVE THE DATE for the first District Membership Summit!**

By Eugene Cross IV on Tuesday, July 26, 2022

### **SAVE THE DATE!!**

District 7670 will hold its first "Membership Summit" on Saturday, October 29, 2022.

### **What is a**

**"Membership Summit?"** It is a gathering of Rotary Leadership from throughout our District to review and understand exactly where we are in terms of membership in our Clubs and District, to discuss where we want to be, to hear success stories, and to learn ways to turn plans into action.

**Where will the Membership Summit be held?** McDowell Tech Community College in Marion, NC.

**Who should attend?** Club Membership Chairs, Club leadership, and pretty much every Rotarian and Rotaractor who is interested in growing Rotary.

**What is the agenda?** As your District 7670 Membership Chair, I will be putting together an exciting, informative, and interactive agenda. Some District Membership Summits are day-long affairs, but we want to be sensitive about your travel time as well, so we are planning for 9am to 2pm. Lunch will be provided.

Watch for more information, but in the meantime, let me know if you have any thoughts, suggestions, or questions.

See you on Saturday, October 29<sup>th</sup> as we GROW Rotary District 7670!

Chip Cross, District 7670 Membership Chair
