Supporting our Rotary members affected by the earthquakes in Türkiye and Syria

My fellow Rotary members and friends of Rotary,

Turkey and Syria were struck by a devastating earthquake on February 6th that has killed tens of thousands of people, destroyed thousands of homes and other structures, and left people across the region without shelter in bitterly cold winter weather. The main natural gas line was broken, so electricity and heating is the biggest issue at the moment.

Our Rotary Friendship Exchange Partner D2430 and two neighboring Districts need your help. Many Rotary members are asking how they can support. Here's how to have the greatest impact:

- Rotary Club of Huntersville Happy Hour is partnering with Rotary Clubs in Gaziantep leading the rebuilding effort in the Gaziantep region with a Global Grant. Tax deductible donations can be made [online](#). See attached to learn more.
- [Give to The Rotary Foundation's Disaster Response Fund](#). From now until 31 March, all donations to our Disaster Response Fund will be used to aid Turkey-Syria earthquake relief projects.
- ShelterBox provides shelter, essential items and technical assistance to help some of the world's most vulnerable people recover and rebuild their homes after disasters. Donate online at <https://www.shelterboxusa.org/turkey-earthquake/#donate>
- [Aquabox](#) is a Rotary led organization. Aquabox responds by sending its AquaFilters and humanitarian aid, working closely with selected aid agencies and distribution partners who ensure that the aid reaches those most in need. You can set up your own fundraising campaign or donate on our JustGiving page: www.justgiving.com/campaign/aquabox. If you prefer you can donate directly via their website: www.aquabox.org/donate-online

Thank you in advance for what you have done for Rotary and what you will do for Rotary.

Thank you,
Kamlesh (Kam) Chandan
