Come July 1, 2021 Meck South will need a new Club Bulletin/Website editor. I've done this bulletin for years now, and it's time for new ideas, new ways of promoting our club and to give one of our members the opportunity to enjoy this task.

The skill set you'll need are:

- Must be good on a computer, PC or Mac
- Must be able to import and export images, sometimes edit the images on your computer
- Be willing to watch the DACdb video's on Club Bulletin and Club EZ story as your training
- Helps to be on Facebook so you can post items about our club
- You'll work with the Club President & Program chairs on getting our information out, plus other members send info often, like Linda Rakvic.

This job takes about 1-2 hours per week. I've set a schedule of getting all club information every Wednesday by noon, then that afternoon I put the newsletter together, place it in DACdb Pmail to be emailed on Thursday morning around 8 AM.

If you're interested contact Wally at bikerwoe@icloud.com and we'll do a bulletin together. I'm always here to help out, so after you accept this position you won't be on your own.

The Rotary Foundation Minute Week XXVII

By Wallace E. Olson Jr. on Wednesday, February 17, 2021

WEEK 27

GLOBAL GRANTS ♦ MAKING SUSTAINABLE CHANGE IN THE WORLD

Rotary clubs in Honduras and Pennsylvania, USA partnered together for a Global Grant to provide eye and vision care to needy residents in Honduras. During a 10-day long mission, Rotarians from both clubs worked to provide a wide variety of vision services through clinics held at local schools and neighborhoods. Over 1,200 individuals were evaluated and 600 received prescription eyeglasses. A local non-governmental organization will continue to provide eyeglasses and medications to those in need.

Improved eyesight can translate into improved educational or occupational opportunities, contributing greatly to improved quality of life for these Honduran residents. Clubs worldwide use these grants to make similar long-term, sustainable improvements in the world.

Every Rotary club has the opportunity to change lives around the world with the help of The Rotary Foundation ♦ one project at a time.

How do we want to make an impact in the world?

Are you interested in taking the next step in supporting our Foundation? Ask Bryan Cochran
