2019-20 Rotary Citation

By Beth E. Trotter on Monday, March 29, 2021

Dear 2019-2020 governors, (DG Beth Trotter, 2019-20 Year)

As we reflect on an extraordinary year, I am so proud and inspired by how our clubs found innovative ways to connect with their members, their communities, and the world.

During 2019-2020, under your leadership, the clubs in your district worked to increase their membership, contribute to The Rotary Foundation, serve their communities, participate in Rotary programs, improve their public image, and so much more.

I am pleased to recognize this accomplishment by presenting you with the 2019-2020 District Citation digital certificate. Your district is one of 93 worldwide to receive this award, which honors Rotary districts in which at least half of the Rotary clubs earned the Rotary Citation.

I encourage you to tell your district leadership team about this recognition and motivate them to achieve this prestigious award again in 2020-2021. I congratulate you on your efforts to grow Rotary and for demonstrating how Rotary Connects the World!

Kindest regards,

Club Meeting

Lunches Made with Love

Posted at 12:27 PM in [Partners](#), [UMC Blog](#), [Volunteers](#) by [Sharon McCarthy](#) 0 Comments
The numbers are staggering.

500: the number of bag lunches provided EVERY DAY by volunteers for Roof Above shelter programs.
3,500: the number of bag lunches provided EACH WEEK for our friends in dorms, motels, and winter shelter. That's more lunches than a child carries to school from kindergarten through high school graduation!

Volunteers, Roger Jones (left) and Jay Bastian (right) delivering bag lunches made by their golf group.

Wait, there's more! A typical lunch includes one sandwich, a piece of fruit, crackers, trail mix or a granola bar, and a bottle of water. Add an extra sandwich for each man using the winter shelter and that's 4,300 sandwiches per week. Hundreds of volunteers have embraced this vital program - lunches made with love.

The bag lunch initiative was created during the pandemic to serve those temporarily sheltered in locations other than our Tryon Shelter. Breakfast and dinner are served daily at each site, and to-go lunches make a convenient mid-day meal for guests. Volunteer Coordinator Elane Stinson tapped volunteers Jay Bastian and Roger Jones for help managing this massive effort. They are lead volunteers because they can transition to any position. I

call them my two big brothers! ♦

Jay and Roger didn't know each other when they began volunteering at the Tryon Shelter nearly three years ago. When each retired and relocated to Charlotte, their hearts for service led them both to the shelter's computer resource lab. Their paths converged when they began sharing Tuesday front desk duty, and their friendship grew.

In-person volunteering has been paused during the pandemic but Elane said that Jay and Roger never stopped calling and offering to help in any way. ♦ To keep them engaged, I invited them to help coordinate the bag lunches and they stepped up to the plate right away. ♦

Jay and Roger delivering sandwiches to staff member Christina Smith for guests at one of the hotels.

Jay and Roger delivering sandwiches to staff member Christina Smith for guests at one of the hotels.

The work includes monitoring group signups, coordinating deliveries and answering questions. Jay has built up an email list to engage groups to fill openings in the calendar. He said, ♦ There are lots of long-time volunteers and I know them all. ♦ The two friends even recruited their golf group to make bag lunches once a month, and Jay's Rotary Club does the same twice a month.

Why do they stay involved with Roof Above's work? Roger explained, ♦ I had a career in sales and I like to talk to people! And this is what God wants us to do, care for our neighbors. ♦

Interested in helping with the bag lunch program? Visit our web page [Our Wishlist | Urban Ministry Center](#) and click on ♦ Food ♦ for the different program locations.

Wanted - Club Bulletin Editor

By Wallace E. Olson Jr. on Wednesday, March 17, 2021

Club Bulletins – keeping the club together

UPDATE & INFORMATION
COVID-19 Rotary

Come July 1, 2021 Meck South will need a new Club Bulletin/Website editor. I've done this bulletin for years now, and it's time for new ideas, new ways of promoting our club and to give one of our members the opportunity to enjoy this task.

The skill set you'll need are:

- Must be good on a computer, PC or Mac
- Must be able to import and export images, sometimes edit the images on your computer
- Be willing to watch the DACdb video's on Club Bulletin and Club EZ story as your training
- Helps to be on Facebook so you can post items about our club
- You'll work with the Club President & Program chairs on getting our information out, plus other members send info often, like Linda Rakvic.

This job takes about 1-2 hours per week. I've set a schedule of getting all club information every Wednesday by noon, then that afternoon I put the newsletter together, place it in DACdb Pmail to be emailed on Thursday morning around 8 AM.

If you're interested contact Wally at bikerwoe@icloud.com and we'll do a bulletin together. I'm always here to help out, so after you accept this position you won't be on your own.

The Rotary Foundation Minute Week XXVIII

By Wallace E. Olson Jr. on Wednesday, March 31, 2021

WEEK 28

WHAT MAKES A SUCCESSFUL GLOBAL GRANT APPLICATION?

Consult with local experts early in the planning process to build a strong project plan and global grant application. The district resource network (see below) can help.

To be approved, your application must clearly describe how your project, scholarship, or vocational training team:

- ? Is sustainable ♦ include plans for long-term success after the global grant funds have been spent
- ? Includes measurable goals
- ? Aligns with one of Rotary's areas of focus
- ? Responds to real community needs
- ? Actively involves Rotarians and community members
- ? Meets the eligibility requirements in the grants terms and conditions

The Rotary Foundation's grant model empowers Rotarians to continue advancing world understanding, goodwill, and peace through the implement of health, the support of education, and the alleviation of poverty!

Are you interested in taking the next step in supporting our Foundation? Ask Bryan Cochran
