Club Member Medical Updates

I am happy to share that **Sally Jane Busk** is recovering well following back surgery on July 1st. She is able to do very short walks in her home, but is limited by most activities we all take for granted. She will continue to recover at home for many weeks.

Bryan Cochran completed another infusion (round 3) in the hospital this past weekend to decrease the lesion size and count and allow him to continue to improve.

Please keep Bryan and Becky and Sally Jane in your thoughts and prayers.
