Presidential Peace Conference

Join peacebuilders from around the world for the 2025 Rotary Presidential Peace Conference, 20-22 February, in Istanbul, Türkiye, to explore ways to create environments that foster peace and understanding.

With the theme of Healing in a Divided World, the conference offers a unique opportunity to connect with Rotary members, partners, and thought leaders committed to addressing important peacebuilding issues of our time.

Through dialogue, interactive workshops, and insightful presentations, weâ€™ll cover topics such as:

- Peace in a polarized world
- Technology, media, and peacebuilding
- Environmental issues in peacebuilding
- Making peace last

Led by 2024-25 Rotary International President Stephanie A. Urchick and held at the Hilton Istanbul Bomonti Hotel & Conference Center, the conference will also recognize Rotaryâ€™s contributions to advancing peace through our peace and conflict resolution area of focus and our Rotary Peace Centers and mark the launch of our newest peace center in partnership with Bahçeşehir University in Istanbul.
