## Grist Mill Cleanup Day

**Saturday, April 27th, at 9am**

Join fellow members and Interact students for a work day at the Isaac Alexander Grist Mill site behind Myers Park High School.

Wear work clothes and boots, bring gloves (and your water bottle), and let's dig in the dirt to spruce up this important historic site! Teenagers are welcome, but be aware the site is not safe for younger children.

The site location is on the back side of Myers Park High School with address of 2400 Colony Road, Charlotte, NC 28209. But, you will enter at the school's back entrance from Runnymede Lane to the back parking lot & park at the far end by the Green House. The trail entrance is behind the Green House. Follow the trail downhill and to the left to get to the Grist Mill.

Check out the fascinating history of the site [here](#). Email [Fitz Lee](#) with any questions. Kudos to Fitz for carrying on this effort started by Honorary Member Morgan Speir!

## Cotswold Farmers Market - Opening Weekend

The [Cotswold Farmers Market](#) will open for the 2024 season at 8:00am on **Saturday, May 4th!** As club members will recall, the market was founded by our club in 2016. Let's do what we can to support their ongoing success!

They are seeking volunteers for Opening Day (and beyond!) for both setup and tear-down. Volunteers for setup should arrive at 7am; volunteers for tear-down should arrive by 11:50am. You don't need to RSVP. They will be happy to have your help!

For those not able to volunteer, you should stop by between 8am and 12pm every Saturday through October for local produce and all kinds of local goodies. The location of the Market is [4921 Randolph Road](#) in the parking lot of Providence Baptist Church.

## Queen City Rotary Club Fundraiser - May 11th

The Queen City Rotary Club is closely involved with this charity so please consider supporting their upcoming event.
