4-H and Fair Exhibits by
Wilkes Cooperative Extension

News and Events

Mark your calendars for the Wilkes Agricultural Fair, happening October 1-4, 2025! It's one of our biggest annual events and a great opportunity to serve the community while having some fun.

In preparation, we'll have two Rotary workdays at the fairgrounds—on September 22 and September 29. More details about those days and what they'll involve will be shared soon, so stay tuned!

We're still working out a few kinks, so if you're not getting the newsletter, call Adam at 336-262-5869.

Health & Happiness

Denise Greene shared that her doctor found she had 900 episodes of VTAC, a dangerous heart rhythm. While serious, Denise saw it as 900 times the Lord said, "Not today."

Zach gave a shoutout to Ken Welborn for all he does for Rotary, especially keeping us updated in *The Record* newspaper.

Guests This Week (left) were Pattie Black (Matt Black's wife), along with Trisa and Brandon Barnes.

At our last meeting, we were glad to welcome a fellow Rotarian, Matt Black, President of Charles Grey, as our guest speaker. He shared about the company's mission, their commitment to next-day delivery, and how they've grown since starting in 2021. Based in Winston-Salem, Charles Grey provides quality building materials with a focus on service and reliability.

LOOKING AHEAD
