PRESENTERS: Karen Hobson & Cindy Fink

PRESIDENT'S POINT

Dear Rotary Friends,

Margaret Basinger and Deirdre Parker Smith gave a memorable program on Tuesday. For those of you who weren't familiar with Knox Junior High or Middle School, I hope you heard the passion in Margaret's voice. She reminded me that it was not the Knox building that she carries in her heart, even though it was state of the art in its day. Margaret is passionate about the people she met, the ones who became her friends and mentors, and those who touched the lives of so many students. Knox happened to be the place where the memories were made.

And it is not the memories of the Rotary Hut that I will carry with me (although I love the sound of the new chairs), but I will treasure the interactions I had with each of you. The Hut may have been the location of our conversations, programs, hugs, and laughs, but it is all of you who have made a difference in my life. Thank you for your comments, constructive criticism, to-dos, and kudos. Thank you for your feedback, completed surveys, table discussions on Club Assembly days, and willingness to have lunch at the Rotary Patriots Flag Concourse. Thank you to the Rotary Board, officers, and committee chairs. Thank you to the Charity League ladies and Traci and Dianne, who ensure we have lunch each week.

I am passionate about Rotary, because of all of you!

Create Hope in the World! *President Cindy*

Scholarship Raffle—the Rotary Charities Scholarship Raffle is scheduled to be held Thursday, September 12, at the Trolley Barn. More information, and tickets to sell, will be available soon.

Thanks to Ed Rusher for matching last week's CART collection.

Lunches are ordered **at noon on Mondays prior to the meeting. Traci must hear from those who did not sign up for a lunch for the meeting, by that time.** You may also contact her by phone or text: 704-232-4725. Her email is: traciwill13@gmail.com.

THE FOUR WAY TEST

Is it the truth?
Is it fair to all concerned?
Will it build good will and better friendships?
Will it be beneficial to all concerned?
