Rotarians at Work!

By Jeanne M. Pritt

Last weekend was certainly full of Rotarians giving and collaborating to meet the needs of the community!

First, we supported the Town of Waxhaw to assist with the "Litter Sweep" and were able to collect quite a bit of garbage.

Next, we collaborated with F3 and the Waxhaw Farmers' Market to help the market move across the street to a new lot.

Then in the afternoon we had a food drive for Common Heart. Click "read more" below to find pictures from these last two service events.

Awesome people doing great work!

Click here <https://putonthebrakes.org/> our-story to learn more about B.R.A.K.E.S. before we welcome Doug to our club on Thursday to speak.
