Greetings Fellow Rotarians!

I hope you consider the benefits of attending these meetings and bringing a guest. RMB events will ABSOLUTELY help you INCREASE your Rotary Club membership and IMPROVE engagement, it's already been proven. RMB is the perfect tool for:

- Getting to know your fellow club members at a deeper level.
- Getting to know other Rotarians that you don't have the opportunity to meet with regularly.
- Representing your club and telling your story to those who may be curious about Rotary.
- Talking business! We don't talk much about what we do and how we can help each other during regular meetings so RMB creates that environment.

I hope you can join us next Wednesday, and more importantly, I hope you can bring a guest or two and introduce them to [RMB's Professional Relationship Building Event](#).

- FREE event at TeachWorks (52A Ervin St. Belmont)! Includes appetizers and cash bar.
- Registration: 4:30pm-5pm & structured networking: 5pm-6:30pm.
- Estimated 40+ in attendance, 25+ local Rotary Clubs invited.
- Build mutually beneficial relationships with fellow Rotarians.
- Introduce a guest to fellow Rotarians.

Your body is an amazing organism! You have trillions of cells, hundreds of organs and over a dozen systems all working together! In other words, you are more than just a Thyroid, a Gut, or a Heart. Unfortunately, this is how we are often treated by many of our health care professionals. Most of the time we are given a diagnosis, put in a treatment box, and told to just "live" with our condition.

What if instead of "chasing" symptoms, a comprehensive approach was taken to uncover the underlying "root" cause of your health concerns? Instead of simply taking another pill you were given answers and guidance on how you can NATURALLY improve upon your health? Our unique BioSpecific Wellness Program does just that!
