Rotary Leadership Institute

The purpose of the Rotary Leadership Institute (RLI) is to strengthen your club and strengthen your life through sharing experiences and ideas with other Rotarians throughout the region.

Every incoming President should complete RLI before taking office. That will make his or her year the best it can be.

RLI Schedule of Dates

Click on the link below for a list of days to choose from between now and May 2019 in NC, SC, TN, VA, MD and WV. RLI will be in our District on April 6, 2019 in Mooresville. We also added a mini RLI (Part 1 only) in Sparta in March. This is a first for us!

But there are many other fun places too. Check them out by clicking on the blue link button at http://www.rli33.org/programs-courses/ to get the latest 'Printable RLI Events Schedule'.

What is RLI?

RLI is a three-Part non-consecutive basic course in both Rotary knowledge and leadership skills. In addition to specific Rotary knowledge and skills, most of the RLI sessions have a leadership component. Each Part lasts from roughly 8:30 to 4:00. To become an RLI graduate, you must complete all three Parts on three different days.

RLI is a grassroots coalition of Rotary districts implementing a leadership development program for "potential" leaders of Rotary Clubs. Established in 1992, RLI has become a worldwide organization with divisions in every Continent of the world. Most Rotarians have not been exposed to the great scope of Rotary around the world and have not considered what leadership skills are necessary to move Rotary forward. Rotary Club leaders must know the evolution of Rotary, its current status and activities in the world, and have a vision for what Rotary can be in the future. RLI is designed to help provide this.

The expectation of RLI is to have clubs identify those with the potential for future club leadership and send them to RLI courses at club expense. All member clubs may send any club Rotarian to RLI courses and any Rotarian may attend any course at his/her own initiative.

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in [An Introduction to Vocational Service](#) and the [Code of Conduct](#).
- **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in [Communities in Action: A Guide to Effective Projects](#).
- **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as [Rotaract](#), [Interact](#), [Rotary Youth Leadership Awards](#), and [Rotary Youth Exchange](#).

Retreating to Advance Peace

By Mayer Ngomesia, 2006-07 Rotary Peace Fellow, Duke University and University of North Carolina at Chapel Hill, USA

After a two-hour drive from the hustle and bustle of Kathmandu along a winding road, 10 Rotary Peace Fellows and I from around the world gathered in the village of Nagarkot, nestled in the Kathmandu Valley at the foothills of the Himalayas for the third Rotary Peace Fellow Leadership Retreat. It was a rare opportunity to step back and reflect on the difficult realities and high-stress environment of our peace work, and to ponder, why the work we do matters.

A Tribute to a Tireless Polio Eradication Volunteer

By David Waring, Past President, Breakfast Rotary Club of Barrington, Illinois, and Past Governor of Rotary District 6440

When polio is finally eradicated from the planet and we look back on Rotary♦s role in making that happen, one of the first persons history is certain to smile upon will be Jack Blane. Sadly, Jack did not live to see the day that we all look forward to, but his remarkable contribution and tireless efforts live on as we bring this worthy battle to its conclusion.
