This Weeks Speaker... Tom Martinek of NCCJ

This week, we welcome **Hannah Welborn-Lewis**, Event Coordinator at the **Haw River Assembly**, an organization dedicated to protecting the Haw River and Jordan Lake. Since joining in 2023, Hannah has led major events, including the **Haw River Learning Celebration**, **Clean-Up-A-Thon**, and **Haw River Festival**, inspiring community action for clean water.

Previously, Hannah worked as a **Public Education and Social Media Specialist** for **Greensboro Water Resources**, connecting the public with water stewardship initiatives. She holds degrees from **Western Carolina University** and **UNC Greensboro** in **Communication Studies**.

Today, Hannah will share the Assembly's mission and ways we can help protect local waterways. This is a great chance to learn about environmental advocacy and collective action for lasting change.
