ROTARY**

AMBER WILLIAMS
Executive Director

Leader. Communicator. Visionary. Connector. All of this and more describes Amber. With sights set on engaging the High Point community on an authentic and strategic level through experiences, relationships, and – let's be honest – a good bit of fun, Amber brings direction and drive to the HPD team.

Their Mission, with a unique and unapologetically rose-colored perspective, they share life-filled stories that celebrate our city, cultivates a sense of pride, and empower those who are changing our city for good. They are High Point's storytellers, and they tell stories that help people fall in love with High Point.

Come hear what Amber has to say about High Point Discovered, this Thursday at Rotary!

COUNTRY CLUB AT NOON THIS

**Last Week at
ROTARY**

Last week, everyone enjoyed the sunshine. Some enjoyed the water. Some enjoyed the sand. No, we weren't at the beach. We were at HPCC's Willow Creek Golf Course for the Annual High Point Rotary Owen Bertschi Memorial Golf Classic. I don't think too many played from the water or the sand. For the most part everyone was in the green. Yes green, as in the color of money. And we were definitely 'in the green'. This, one of our two big fund raisers of the year, was a very successful and fun packed event this year. And thanks to generous sponsors, a great field of golfers, and a dedicated group of volunteers we are assured of a prosperous outcome. This year's primary beneficiary, Working Wardrobe, will take home a large check to go towards the great work they do in this community.

Eat whatever you like because.....

- The inventor of the treadmill died at the age of 54.
The inventor of gymnastics died at age 57.
The world bodybuilding champion died at age 41.
The best footballer in the world, Maradona, died at 60

And then-

- The KFC inventor died at 94.
The inventor of Nutella died at 88
The inventor of Hennessy died at 98

So how did doctors come to the conclusion that exercise prolongs life, when

- The rabbit is always jumping but it lives for around 2 years,
 - the turtle that doesn't exercise at all, lives over 200 yrs.
- So, rest, chill, eat, drink, and enjoy life **THINK ABOUT IT**

Easy Make Ups!

You can now receive make up credit through the Internet. Just go to the web-site: www.rotaryclubone.org. This site gives you another make up opportunity you can do from the comfort of your own home. This is a fully chartered club by Rotary International. You can choose a 'Program' that you want to read, answer some question, and print out the makeup slip. All they ask is that the person donate the cost of maintaining the site. If you contribute the cost of your meal, please be sure and let Mary Sizemore or Kristen Hoskins know so that you will receive meal credit on your next statement.

Rather do a Make-up in Person?

Use your Ignite App. Click on Rotary Resources. Then click on Club Search. Under Search, select Clubs. Enter the Club you are interested in visiting or just select High Point, click on 25 miles and you will get every club meeting within 25 miles. You can even be more specific and add what day of the week on which you would like to find a meeting for your make-up. Click on the Club name and you will see information on the day and meeting time as well as the facility name and address for the meeting. It is easy and can be done right from your phone.
