**PolioPlus SOCIETY**

Rotary and The Rotary Foundation are in the business of *Doing Good in the World* and members of the Rotary family are committed to polio eradication efforts until the world is certified polio-free.

Rotary took on the challenge of helping to eradicate Polio in 1985. Together Rotary and our key partners are fully committed in the effort to eradicate Polio. No child should ever have to suffer from this terrible disease!

The PolioPlus Society was created as a program to generate sustained giving. It has been set up in a similar way to how the Paul Harris Fellow program was originally started – which is as a District-led program. The PHF program eventually turned into an RI program, but the PPS has a short time frame as we hope to eradicate polio by 2029.

As a PolioPlus Society member you will be able to say that your commitment helped us to eradicate polio. And, your donations receive a 2 to 1 match by the Bill & Melinda Gates Foundation.

Become a member of the PolioPlus Society and make your own tax deductible recurring donation to The Rotary Foundation's Polio Plus Fund until such time that Polio is eradicated and the World Health Organization certifies the world free of Polio. Thanks to your generosity we will be able to continue to provide the support needed to make the world polio free.

Together We Will Eradicate Polio – only the second human disease ever to be eradicated from the world. Thank you for supporting our Countdown To History and Rotary's goal to #EndPolioNow.
